W. H. COX.

The above is a fairly good likeness of our townsman, W. H. Cox, who, to many of our readers is well known. Mr. Cox is a Pennsylvanian by birth but came to this county when quite a young man and has since lived among us, much to the betterment and advancement, morally, spiritually and intellectually of every community in which he has resided.

Soon after Mr. Cox came to this State he was married to Miss Matilda Jones, to which happy union were born six children, five of whom are still living and who are an honor to the community and a joy and comfort to the devoted parents in their declining years.

We have always believed that whatever of good we have to say of one, should not be withheld until they have passed into the great beyond, but in a modest way let it be said during life, that they may know that the efforts of a well spent life are fully appreciated by friends and neighbors. Hence we take this opportune time to pay homage to one who for more than two score years has lived among us and mingled with us and whose works through life have been characterized by only that which is good, true and noble.

Mr. Cox, the subject of this little sketch, is by trade a mechanic, is a member of the Christian church and a strong believer in the principles promulgated by Jefferson and Jackson and while upon all questions political, religious or otherwise, he has decided views and always takes a firm and bold stand for that which he believes to be right but always grants to the other man, the privilege and right to act and speak what his better judgment dictates.

The condition of Emperor Francis Joseph of Austria, was improved Tuesday. His physicians believe the danger has passed unless there should be unlooked for complications.

Fifteen or more persons were injured, several of them seriously when a metropolitan elevated train crashed into the rear of a South Side elevated train at State and Van Buren streets Chicago.

BRODHEAD.

Miss Dessie Robins and Mrs. Reynolds left Monday for St. Louis where they will make their future home.—Dr. O. O. Stotone, M. C. and B. E. Albright, Jno. F. Evans, Mart Roberts and H. H. Hutcheson were up to Mt. Vernon last Monday to see the ball game.

Jno. E. Evans is at home from a three weeks trip through North Eastern Tennessee.—J. Thos. Cherry, Dr. Percy Benton and John Robins were among those attending the Grand Lodge at Louisville this week from here.—Chas. Hurt is slinging lightning at Lebanon this week.—Miss Susie Hilton, of Lancaster, visited her parents here Sunday until Tuesday.—Mrs. L. B. Hilton and Miss Katie Cass, of Stanford, spent Sunday here the guests of Mr. and Mrs. J. R. Cass.—M. B. Howard has opened a 5c and 10c store in the Dr. Benton store house on Main street.—J. W. Hutcheson is in Danville this week on business.—Misses Lydia Hilton and Jewel Francisco visited Mrs. R. H. Batson at Lancaster latter part of last week.

Mr. and Mrs. Larkin Hicks are visiting relatives in Kansas City, Mo.—Chas. Pike and sister, Miss Eliza, have just returned from a weeks visit to Miss Emma Jones in Garrard county.—Wm. Watson and wife have returned to their home at Nina, Ky., after spending two weeks here with Mr. and Mrs. J. F. Watson.—Rev. A. J. Pike filled his regular appointment in Boyle county last Sunday.—Ray O., the bright three and one-half year old child of Mr. and Mrs. John Robins, passed into the great beyond at 10:40 o'clock last Thursday morning. He was one of the brightest children we have ever known, and was an idol worshipped by all who knew him. After an able funeral service conducted by the Rev. A. J. Pike, at the Christian church on Friday at 2:30 p. m., all that was left of this bright boy was laid to rest in the Christian church cemetery, amidst a large number of sorrowing friends

and relatives. The bereaved ones have our heartfelt sympathy in their dark hour of trouble. But they must remember, God knows best in all things.

Miss Lillian Shugars, of Lancaster, is the guest of her brother, W. K. Shugars, of this place.—The party given by Miss Etta Frith last Tuesday night was largely attended and well enjoyed by all present.—Mrs. Wm. Potts visited her sister, Mrs. D. E. Davis in Mt. Vernon.—Mr. and Mrs. J. W. Tatc are attending the trots at Lexington.—The "Fudge" party given at the Frith Hotel last Monday night, under the auspices of the M. B. A., was largely attended and well enjoyed by all present. Those registering were Misses Susie, Lydia and John Eva Hilton, Burdette Owens, Elizabeth Cable, Maude Watson, Bettie Hicks, Jewel Francisco and Messrs A. C. Bocklege, G. C. Carter, C. F. Stamper, Jno. C. Calhoun, of Lebanon Junction, A. K. Wesley, of Eubanks, and O. A. Frith, Eugene Gentry, M. B. Bowling, U. B. Cass, Virgil Martin, F. L. Durham, Drs. W. F. Carter and O. O. Stone, M. C. and B. E. Albright, and Mr. and Mrs. H. H. Jones, of Lexington. Every one departed saying, "Rah for the M. B. A., may she live and grow forever." W. H. Benton of Lebanon Junction, Sunday at home.—W. J. Owens, of Corbin, is at home for a few days.—Born to the wife of G. F. Sutton a fine girl.—J. E. Storms, of Keavy, is the guest of Mrs. Lou Storms for a few days.—H. H. Reynolds went to Miamasburg, O., last Sunday to visit Prof. Woorley.

A CRIMINAL ATTACK

on an inoffensive citizen is frequently made in that apparently useless little tube called the "appendix." Its generally the result of protracted constipation, following liver torpor.—Dr. King's New Life Pills regulate the liver, prevent appendicitis, and establish regular habits of the bowels. 25c at Chas. APPEAL FOR EDUCATION.

To the Citizens of Rockcastle County:

Do you know the condition of the public schools in your county? Do you know the condition of the school in your own district? If it is not all that it should be, what are you willing to do to improve it.

For some time many Kentuckians have felt that the efforts of our superintendents and teachers must be re-enforced by the efforts of the patrons and friends of the public schools, and that all the people must be brought closer together in movement for the improvement of the schools.

Why is this necessary? Because teachers and superintendents cannot do it alone, and because our schools are in a lamentable condition. In many cases the house are not habitable, and yet the children spend a greater number of waking hours there daily during the session than at home. It is cruel to confine them in buildings insufficiently heated, and either unventilated or full of drafts, and with the light from unshaded windows blinding their eyes, and with the seats so unadapted to them that the little children are suspended in mid-air and the larger ones are cramped for space.

In many cases the sanitary conditions need attention. There are no outhouses, or there are places too near the main building, or they are so constructed as to make cleaning impossible. They frequently offer no adequate provision for the separation of the sexes, and children who are kept at home from demoralizing conditions, are at the school subjected to obscure influences.

In many schools the simplest educational appliances are lacking, such as black-boards that are really black, maps and charts.

The stoves need polishing, the windows need mending and cleaning. Walks are needed from the school-house door to the road and to the out houses, so constructed that they will not in wet weather become pools of water or beds of

mud. Water buckets are needed, and basins and towels, and hooks for the hanging of hats and coats, and shelves for the lunch baskets. In fact in some places almost everything is needed if we should have the children spend the school hours in the midst of decent surroundings and in almost every place something is needed.

These are not matters which we can afford to neglect any longer. The effect of these untidy, unhealthy, frequently vulgar conditions upon the children cannot be uplifting, can never be educational. In consequence, we are raising up a generation which will not have a fair chance a generation which cannot compete with its fellows who have come up under better conditions. We are by our neglect robbing the children of their birth right. They have a right to expect a fair start in life, and we are not giving it to them.

Kentuckians no longer occupy the prominent place in our national life they did one and two generations ago. Our children are being trained as they are in other states.

Do you know that the Commissioner of Education's Report places Kentucky forty-second among the states in the descending scale of illiteracy of the white population, and that fifty per cent of her children of school age are not in school. Of those that are, we have seen, the opportunities are very meagre.

And now what is to be done about it? It is certainly time for us to be interesting ourselves in our public schools, for they are the training-place of our future citizens. It is not possible for one man acting alone to do what needs to be done in each district, but it is possible, if the men and women of each district and the teacher and children of the school, all unite in an organization with the definite purpose to make their school what it should be it is possible for such an organization to metamorphose it.

Recognizing our need, and desiring to enlist our unused forces in the interest of the schools, it was

decided some months ago to inaugurate a movement for the organization of School Improvement Leagues, such as have given such an impetus to the cause of education in almost every southern state except Kentucky.

The plan is to organize Local Leagues around every school in a county, and to endeavor to engage every person in a district in some service for his school; to organize a County League shall report at stated times; and to send reports and representatives from the County Leagues to the State Committee.

The matter was first taken up by the Educational Committee of the Woman's Clubs of the state, and the organization of twenty-one County Leagues has been pushed under their auspices this summer.

The Kentucky Educational Association at its last meeting appointed a committee to co-operate with the Educational Committee of the Federated Clubs, and also gave reports from the Leagues a definite place on the annual program.

Encouragement and premises of co-operation have come from various organizations, notable from conventions of religious bodies, from the Daughters of the Revolution.

If information is desired as to methods of organization, or as to plans for work it can be obtained from Mrs. R. N. Roark, Richmond Ky.

HARD TIMES IN KANSAS.

The old days of grasshoppers and drouth are almost forgotten in the prosperous Kansas of to-day; although a citizen of Codell, Earl Hamburg, has not yet forgotten a hard time he encountered. He says: "I was worn out and discouraged by coughing night and day, and could find no relief until I tried Dr. King's New Discovery. It took less than one bottle to completely cure me." The safest and most reliable cough and cold remedy and throat and lung healer ever discovered. Guaranteed by Chas. C. Davis druggist. 50c and \$1. Trial bottle free.

ANNOUNCEMENTS
We are authorized to announce G. T. JOHNSON as a candidate for County Court Clerk, subject to the action of the Republican party.

We are authorized to announce W. H. Lewis as a candidate for County Court Clerk subject to the action of the Republican party.

There is sure to be much agitation of the two-cent-a-mile railroad rate at the coming session of the Legislature and it is just as sure that many members will go off half cocked. A flat two-cent rate for every road in Kentucky will amount to almost to confiscation on some lines. Roads penetrating thickly settled areas can make money carrying passengers for two cents a mile. Short roads and roads traversing sparsely settled districts find the two cent rate unprofitable. These are conditions which should be seriously studied by legislative or other rate-making bodies to the end that justice may be done, both to the carrier and the traveling public. There will be little fellows who will try to make capital out of the fights on railroads but those we hope will be severely set upon. Hostility to railroads is nearly always unfounded, but knowing how deep-seated is in the breast of the average man, many a politician has sought, by pandering to the unworthy sentiment, to ride into power and prominence. The ability to do this should not occur again. The railroads are business propositions and should not be treated other than other institutions. In other words, let them have a square deal and if they do not appreciate it, and seek to bilk the public, then will be time enough to put the screws to them. —Frankfort Journal.

"By the decisive vote of 430 to 72, the delegates and representatives in session at the Grand Lodge meeting of the Kentucky Masons at the Masonic building, voted shortly after noon Wednesday to adopt as an amendment to the Constitution the resolution of James E. Wilhelm, of Paducah, prohibiting the entrance of any person engaged in the liquor business into any of the order's lodges. It has been predicted that the amendment would pass, but it was expected that a large amount of opposition would be met with when it came to a vote. The small amount of objective argument and debate with which the measure was greeted, however, was a surprise to everyone at the meeting." So far, so good, but if some provision had been made compulsory to get rid of those already in, it would have come near filling the requirements, especially with some lodges.

LIVINGSTON

Mrs. J. W. Baker and daughter Mrs. Angeline were visiting U. G. Baker and family at Mt. Vernon Sunday and Monday.—Geo. Pope is having a concrete side walk made in front of his house on main street.—Mr. and Mrs. Emerson Rice and son Master Earl have returned to their home at Lebanon Jct. after a very pleasant week with their mother Mrs. H. W. Rice.—Mrs.

George Pope has returned from a very pleasant visit with Mr. and Mrs. W. T. Merrimee at Paris Ky.—J. W. Baker and Bert Whitehead were in the City this week buying Christmas goods.—Dr. R. G. Webb has moved his office into the Pope office.—Harry Bowman and Bird Cockrell are in Mt. Vernon this week.—Mrs. Mary Hagan was in Corbin the latter part of last week.

Mrs. Lena Sparks and children are spending the week in Louisville. —Mrs. Henry Owens is visiting her daughter Mrs. Alec Wells at Mareburg.—Dan Alcorn has taken charge of the "River Mansion" Hotel.—John Pope is having improvements made on his houses on Main St.—L. H. Davis is having lots of improvements made on his property recently purchased of Mrs. Sue Mullins.—Ed Owens has moved his family into the house recently vacated by Dan Alcorn.—Miss Lida Cook spent the week in Louisville.—Squire Kinley has moved his family to his new home recently purchased on Mullins ave., known as the "Dock Stuck" house.—Mrs. Ann Owens is on the sick list.—The big "Boom" which we have been talking about for so long is now on trains are stopping here now and more to stop before the year is out. New mines are opening up all around us lots of work for lots of people and property that sold two months ago for \$400 can now sell for \$800 and property that sold for \$1500 can sell now just as easy for \$2500. All those desiring a home at Livingston had best buy now for two months more will see homes that are now going for six and eight hundred for \$2000 easily.

Ben Brummitt is improving his property on Main street recently purchased of W. H. Sigmon.—Miss Lottie Sams has been spending a pleasant week with her grandma, Mrs. Jane Owens.—Mr. Dave Riggle has moved his household goods from Lebanon Junction into the home of his father-in-law, Mr. J. T. Chewning. Mr. Riggle and children and the excellent family of Mr. Chewning have the sympathy of the entire community in their late bereavement. This is four deaths this family has had in the last two years. And while we poor mortals in our ignorance and blindness ask ourselves the question, "Why is such an excellent family and Christian home so completely broken up?" We will in time see the hand of providence in it all, and say as did David of old, "The Lord giveth, and the Lord taketh, blessed be the name of the Lord.—Mr. Jacob Sambrook is in Louisville this week.—Mrs. Rebecca Lucas and children have returned to their home at Broadland, Ill., after spending the summer with her sister, Mrs. Mart Hicks.—W. C. Mullins is having his house on Main street repaired in general.—The county bridge across Roundstone is being rebuilt. This should have been done at least 18 months ago.—Mrs. Susie Hicks has been very low but is a little better at this writing.—Misses Ethel Hayes and Myrtle Chewning have returned from a pleasant visit to Mrs. Harry Jenkins at Corbin.—Logan Salyers, formerly of this place, but now of Corbin, is at Richmond taking treatment for consumption.

Fontanet, Indiana, was practically destroyed Wednesday by the explosion of the plant of the Dupont Powder Company. The dead numbered from twenty-five to forty-five. Over 600 persons were injured and every building in the town was wholly or partially leveled to the ground. Where stood a thriving and busy town of 1,000 people Wednesday, now there is ruin and scattered wreckage. The dead and more seriously injured have been taken away. Five hundred inhabitants, all more or less wounded, remain to gather their scattered household goods and keep under tents and on cots guarded by soldiers of the state. Without warning the powder mills seven in number, blew up at 9:15 Wednesday morning. They employ 200 men and of these 75 were at work when the first explosion occurred in the press mill. In quick succession the glazing mill, the two coining mills and the powder magazine blew up followed by the cap mill. In the magazine, situated several hundred yards from the mills, were stored 40,000 kegs of powder. The concussion when it blew up was felt nearly 200 miles away.

Every house in this town was destroyed. Farm houses two miles away and school houses equally distant were torn to pieces and their occupants injured. A passenger on the Big Four railroad, four miles away, had every coach window broken and several passengers were injured by flying glass.

We Trust Doctors

If you are suffering from impure blood, thin blood, debility, nervousness, exhaustion, you should begin at once with Ayer's Sarsaparilla, the Sarsaparilla you have known all your life. Your doctor knows it, too. Ask him about it.

Unless there is daily action of the bowels, purgative products are absorbed, causing headache, biliousness, nausea, dyspepsia, and thus preventing the Sarsaparilla from doing its best work. Ayer's Pills are liver pills. Act gently, all vegetables.

TELL HOW TO MIX IT.

A well-known authority on Rheumatism gives the readers of a large New York daily paper the following valuable, yet simple and harmless prescription, which any one can easily prepare at home:

Fluid Extract Dandelion, one half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

Mix by shaking well in a bottle, and take a teaspoon after each meal and at bedtime.

He states that the ingredients can be obtained from any good prescription pharmacy at small cost, and, being of vegetable extraction, are harmless to take.

This pleasant mixture, if taken regularly for a few days, is said to overcome almost any case of Rheumatism. The pain and swelling, if any, diminishes with each dose, until permanent results are obtained, and without injuring the stomach. While there are many so-called Rheumatism remedies, patent medicines, etc., some of which do give relief, few really give permanent results, and the

above will, no doubt, be greatly appreciated by many sufferers here all this time.

Inquiry at the drug stores of this neighborhood elicits the information that these drugs are harmless and can be bought separately, or the druggists here will mix the prescription for our readers if asked to.

WANTED:—Hickory and White-oak Spokes. Will pay highest market price. Also Hickory and White-oak butts. Will give price on application.

DEMOCRATIC SPEAKING.

Hon. G. A. Holland will address the voters of Rockcastle in Mt Vernon on Monday, Oct. 28th, 1907 at 1 o'clock, p. m. Every-body invited.

J. W. BROWN,
Chm. Cam. Com.

A bill is to be introduced in the next legislature advocating the building a turnpike from the Lincoln county line, to Cumberland Gap, by the State. There is nothing that could be done that would be of more benefit to the mountains. The vast advantages to be derived from such an enterprise can hardly be expressed in words.

NOTICE.

To the tax payers of Rockcastle county: Your taxes are long past due and must be settled at once. I am compelled to settle with the State and county and must have your taxes to do so. All tax that are not paid by Nov. 1st the penalty will be added.

R. L. McFERRON,
Sheriff Rockcastle County.

Editor May, of the Somerset Times, has our heartiest congratulations on the arrival of a son and heir to bless his union with one of London's loveliest daughters. The young editor arrived Sunday evening, at the home of Mr. and Mrs. Tilford Jones, on Main Street. Mrs. May was formerly Miss Lucy McKee.—London Echo.

This is the fourth special term of court which Judge Johnson has held in Mt. Vernon in the last two years and the Judge is certainly very much taken with Mt. Vernon and her people. He does not hesitate to say that Mt. Vernon people are the best he has ever come in contact with. In speaking of the jurors which had served during the different terms which he presided, he said they were upon the whole, as good as he had ever seen in any court and that they made as few mistakes in rendering verdicts. This is certainly a great compliment to those who have served as jurors before Judge Johnson.

The L. & N. south bound freight train known as the package local, was wrecked at Cedar Creek Monday afternoon. It is thought that a broken flange was the cause of the accident. Engineer Bohlin and brakeman R. A. Nelson were so badly scalded that they lived only a few hours, after they were removed from the overturned engine. Fireman Boden was also badly scalded but the last report indicated some hope of his recovery. Breakman Nelson was filling E. B. Brown's place who on account of sickness had, come home to spend a few days.

MRS. F. L. THOMPSON DEAD.

Died at her home in our little city Wednesday afternoon, Mrs. F. L. Thompson, aged 45 years nine months and eight days. For more than twenty years Mrs. Thompson had been in poor health, but not until the last six months did her afflictions become of such a nature as to cause any considerable alarm, either to her self or to her family. All that medical aid could do brought her no relief. The use of the X Rays revealed the fact that the growth in the right shoulder was the seat of the trouble, which for weeks had caused her such excruciating pain, but in her weakened condition, she was not equal to the operation necessary to remove the cause, which was slowly but surely wearing her life away.

Mrs. Thompson, who was Miss Alza Jackson Fish before her marriage, was the only daughter of Egbert and Ann Fish and on the twelfth day of December 1880 was united in matrimony to F. L. Thompson, to which union was born six children, three girls, Misses Susie and Alza and Mrs. L. R. Hughes, of Stanford, and three boys, F. L. Jr., Jamie and Will, all of whom are living. Besides the husband and children, who are crushed by the great misfortune which has come upon them, she leaves one brother, A. J. Fish, and an aged mother, who is heart broken because of the loss of her only daughter.

At the age of fourteen Mrs. Thompson united with the Christian church at this place and has ever since led a devout, conscientious Christian life. Well may her children cherish her memory as a precious legacy and we find would say a word of comfort to the stricken ones, we can but let our tears flow in sympathy with theirs and point them to the promise, "At eventide it shall be light."

Mrs. Thompson remained conscious to the last, and although fully aware that her life was near its close, she manifested no dread but bravely awaited the termination of the struggle. She called for the various members of the family, talked with them of the past, the present and the future; pointed out the road to the evergreen shore, which appeared so plain before her; to each she made some little bequest that must live in their memory and recall her last words of love—her last hopes and wishes—and by a thousand tender words drew each of her loved ones toward the haven of rest to which she has journeyed; and from that closing scene will come "a still small voice," and as the years go by it will remind them of her Christian hope and trust, and tell them of "a peace that passeth human understanding."

Short services were conducted from the home at 3 o'clock p. m. yesterday, after which the remains were laid to rest in Elmwood Cemetery, to await the resurrection morn.

FOR SALE:—One house and lot located in Livingston Ky. The house has six rooms and hall, good out houses and cistern, all in good condition. Also a farm of 130 acres located on Big Hill, part in Rockcastle and part in Jackson county, house contains nine rooms, good outbuildings, well improved well watered and sufficient timber to run the farm. Address

G. M. BALLARD,
Mt. Vernon Ky.

At London an altercation took place between Chief of Police E. W. Moren and City Tax Collector Robert Root at Bert Edwards' restaurant, which resulted in a pistol duel, in which both men were painfully, but not necessarily fatally, wounded. Root is shot through the right thigh and left knee, and Moren is shot through the right thigh. Both are doing very well. Trouble came up over a joke.

DROPS
TRADE MARK
A PROMPT, EFFECTIVE REMEDY FOR ALL FORMS OF RHEUMATISM
Lumbago, Sciatica, Neuralgia, Kidney Trouble and Kindred Diseases.
GIVES QUICK RELIEF
Applied externally it affords almost instant relief from pain, while permanent results are being effected by taking it internally, purifying the blood, dissolving the poisonous substance and removing it from the system.
DR. S. D. BLAND
Of Brewton, Ga., writes:
"I had been a sufferer for a number of years with Lumbago and Rheumatism in my arms and legs, and tried all the remedies that I could get from medical works, and also consulted with a number of the best physicians, but found nothing that gave the relief obtained from 'DROPS.' I shall prescribe it in my practice for rheumatism and kindred diseases."
DR. C. L. GATES
Hancock, Minn., writes:
"A little girl here had a weak backbone by Rheumatism and Kidney Trouble that she could not stand on her feet. The mother tried putting her down on the floor and she would scream with pain. I treated her with 'DROPS' and today she runs around as well and happy as can be. I prescribe 'DROPS' for my patients and use it in my practice."
FREE
If you are suffering with Rheumatism, Lumbago, Sciatica, Neuralgia, Kidney Trouble or any kindred disease, write to us for a trial bottle of "DROPS."
PURELY VEGETABLE
"DROPS" is entirely free from opium, cocaine, morphine, alcohol, laudanum, and other similar ingredients.

WORK MAKES MEN.
Work makes men. Luck usually fails. Pluck nearly always wins. To succeed in anything one must overcome obstacles. Force and fiber are built by hardships. Grit is as necessary in the making of a man as gumption. Hardships are not always handicaps. Often they are helps. You will understand this better in twenty years. Mean while permit one who has lived that twenty years and more to advise you in this. Hang onto your job until you are sure of a better one. Dependable boys are in demand. And no boy can be depended upon who does not finish the task he sets his hand to do. However disagreeable our work, do it thoroughly. Do it better than the average boy will do it. In that way you will come to be known as a dependable boy. And mind you this: Men everywhere are looking for capable, honest, gritty dependable boys. The sooner you let people know that you are that kind of a boy, the sooner you will get a better job. And don't be in hurry to give up the work you already have. Be sure something better is offered. Wait awhile. Do your work well. Promotion will come. And do not envy the boy who has an easy time. You would much better pity him. He has a good time now, but some day he must "make good." While his flabby muscles and his easy habits and his many wants, he stands a far poorer chance than you. Remember above all, young fellow, you are making a man of yourself.

OUT OF SIGHT.
"Out of sight, out of mind," is old saying which applies with special force to a sore, burn or wound that's been treated with Bucklen's Arnica Salve. It's out of sight, out of mind and out of existence. Piles too and chilblains disappear under its healing influence. Guaranteed by Chas. C. Davis, leading druggist. 25c.

EDUCATE CHILDREN.
Every child has a right to such an education as will qualify for life's duties. This is recognized as a patriotic duty by the state. The permanence of our political institutions depends on the intelligence of our citizenship. "The bayonets of foreign soldiers are less to be feared than are the ballots of ignorant voters." The welfare of the state depends more on the moral and religious training her citizens than on their intellectual training, yet the state makes no provision for this moral discipline. In some cases it makes it difficult or even impossible to secure the moral and religious training of the mind at all. There must be a training of the moral sensibilities, particularly the will. Not all of this is the duty of the church, but the largest part in the function of home. Every child deprived, by whatever means, of this education and training is defrauded out of an inalienable right, and when he comes into the inheritance of his citizenship may be depended upon to avenge himself on the society that penetrated the fraud upon him. In deference to the views of infidels, atheists and others, the Bible is cast out of the public schools, and all school books are stripped bare of everything that might tend to build up and strengthen the child's moral character. It is cruelty to withhold from children this higher and greater training. Children have rights which the state is bound to respect. It disregards them at its own peril.

OTTAWA.
Mr. and Mrs. Eugene Rogers of Small, Ky., spent Saturday and Sunday with their parents, Mr. and Mrs. T. T. Proctor—H. C. Sutton of Quail, was in this part Thursday—Born to the wife of C. S. Armstrong a boy baby on the 7th. Both mother and babe doing well.—Mrs. Mary J. Brown and little daughter, Anna, visited relatives at Quail Sunday.—I. S. Cash visited his parents at Wabul Sunday.—Tilden Laswell purchased from P. T. Peace, of Lincoln county, a mule for \$78.—The eight year-old child of Robert Wallen has pneumonia fever.—The last few days seemed like winter and the farmers are beginning to haul in their winter wood.—S. S. Proctor, who is doing some carpentering at Maresburg, was with homefolks Sunday.—The farmers are busy sowing wheat in this section.—Billy Thompson, of Krueger, visited relatives here Sunday night.

While the postoffice department proposes to permit patrons of free rural mail delivery routes to construct their own boxes, it will require them to be constructed out of steel or iron in such a way that they will protect the mail which may be deposited in them. When a patron has made that kind of a box he will probably be out more in time and money than if he had gone to the store and bought a factory made receptacle for his daily mail.

The laboring men of Turin voted Tuesday that the general strike should terminate to-day. The manufacturers have retaliated for the strike by declaring a lockout.

What to do in Dyspepsia

Dieting has become a great fad in America, and just as, years ago, we, as a nation, over-ate, so now we are under-eating. The one is as bad as the other. Man needs food and plenty of it to sustain life and to give strength to compete in this busy world.
It is not, however, the fact that you may eat too much that hurts you, but that you don't digest what you eat. And if that results in dyspepsia you will not cure the trouble by cutting down your food supply. If your digestive organs were creating the proper amount of gastric and pepsin juices you would have no dyspepsia. To cure the disease you must create an abundance of these necessary juices.
This can only be done by a reliable tonic laxative, and as its name indicates, Dr. Caldwell's Syrup Pepsin contains the very ingredients needed to do this. Take it regularly for awhile according to the explicit directions on each bottle and you will soon be cured of dyspepsia and any of the accompanying symptoms such as pimples, salivary complexion, wind on the stomach, etc. Every bottle carries with it an absolute guarantee to do what we claim. It is a gentle, pleasant, effective laxative and you will like its taste and be pleased with its action.
One of the great friends of this remedy is Harry F. Kestor, a Lieutenant in one of the United States Cavalry regiments at the battle of Santiago. While in the wet trenches, and eating the rough food of a soldier, he contracted severe dyspepsia and lost weight rapidly. A friend in the regiment called his attention to Dr. Caldwell's Syrup Pepsin, which he promptly began to use. It not only cured his dyspepsia but increased his weight 42 pounds.
Your druggist will sell you a bottle at 50 cents or \$1 and you will find it worth a hundred times that to you.

FREE TEST Those wishing to try Dr. Caldwell's Syrup Pepsin before buying can have a free sample bottle sent to their home by addressing the company. This offer is to prove to those who have never taken it. Send for it if you have any symptoms of stomach, liver or bowel disease. Guaranteed to give effective laxative for children, women and old people. A permanent home cure. THE PUBLIC VERDICT: "No Laxative So Good and So Pure as DR. CALDWELL'S SYRUP PEPsin." This product bears purity certificate No. 17, Washington, D. C.
